THE POINT(S) AT WHICH FISH AND FISH PRODUCTS MAY ENTER A CHAIN OF CUSTODY

The seabob shrimp covered by this certificate may only be landed to the quays to the Suriname American Industries Limited processing facility (Paramaribo) and the Heiploeg Suriname processing facility.

Only Suriname Atlantic seabob shrimp caught in the manner defined in the Unit of Certification under restrictions detailed throughout the body of the Public Certification Report for the fishery shall be eligible to enter the Chain of Custody. Chain of Custody should commence following the first point of landing, at which point the product shall be eligible to carry the MSC logo. There are no restrictions on the fully certified product entering further chains of custody. Chain of Custody is required from the point of landing – not from the point of change of ownership of the product.
